CURE BU: PHILIPPINES

Medical-Ministry Mission

**HEALING THE SICK
PROCLAIMING THE
KINGDOM OF GOD**

What? Where?

We will spend two weeks during the May Minimester 2024 in Batac, Philippines. We will visit a multispecialty teaching hospital and shadow physicians, surgeons, and nurses. We will also visit a local orphanage and have the opportunity to work with and minister to children, acting as the hands and feet of Christ.

Why?

Our goal is to provide students pursuing careers in healthcare with the opportunity to experience the intersections between medicine and Christian ministry, grow in their faith and calling, and appreciate the practice of medicine in a different culture.

Who?

Due to the heavy medical nature of this visit, students in pre-health and allied health (pre-med, pre-PA, pre-PT, pre-dent, pre-nursing, public health, health sciences, dietician, etc) will be prioritized. Further priority is given to active CURE BU members, but everyone is able to apply.
Deadline: November 8th

CURE BU Medical-Ministry Mission to the Philippines

CURE BU is a Christian organization at Baylor that explores the intersections of health, service, faith, and Christianity in a small, close-knit club. This mission trip will take place at a multispecialty teaching hospital and a local orphanage in Batac, Philippines, from May 16-30th, 2024. Students will have the unique opportunity to shadow doctors, surgeons, and nurses in different fields of medicine, as well as serve and minister to children in a local orphanage. We hope that students will gain a holistic cultural experience that combines medicine, mission, and faith. **The application deadline is November 8th.** Please contact Elizabeth John (elizabeth_john1@baylor.edu) for more details.
