Research & Internships

MD Anderson Summer Undergraduate Research

Training Program

Internship designed for outstanding young scientists interested in a career in cancer research. **Applications open November 27, and are due January 5.** Weblink pending; if you are interested in applying, please email Ms. Coco DiMauro (coco_dimauro@baylor.edu).

Along with this program, there may be other internships available to apply for at MD Anderson such as CATALYST and UPWARDS. More info to follow once you email Ms. DiMauro.

[Oak Ridge Institute for Science and Education \(ORISE\)](#): Various paid internship and fellowship opportunities at U.S. Department of Defense Research facilities across the nation. Application requirements and deadlines vary.

Other Biomedical Research Internships: A catalog of biomedical research internships offered nationwide for high school, undergraduate, post-baccalaureate, graduate, and first-year medical students. (Please note, this link is password protected to maintain confidentiality). ****Link recently updated; click on "this spreadsheet" under "Summer 2023 Internships"****

PreHealth Research Programs: A variety of internships and research opportunities found on the PreHealth Office's website.

Article of the Week

We have a special article this week from one of our students,
Ron Varghese! Congratulations Ron on your recent publication!

A Modified Liver Donor Risk Index for Pediatric Liver Transplant Recipients
(published in Liver Transplantation)

Ron is currently a Junior Pre-Med student. If you are interested in learning more

about Ron's research or how to become published yourself, please email Ms. Coco DiMauro (Coco_DiMauro@baylor.edu), so she can connect you with Ron.

SAVE THE DATE!

CURE BU: PHILIPPINES

Medical-Ministry Mission

HEALING THE SICK
PROCLAIMING THE
KINGDOM OF GOD

What? Where?

We will spend two weeks during the May Minimester 2024 in Batac, Philippines. We will visit a multispecialty teaching hospital and shadow physicians, surgeons, and nurses. We will also visit a local orphanage and have the opportunity to work with and minister to children, acting as the hands and feet of Christ.

Why?

Our goal is to provide students pursuing careers in healthcare with the opportunity to experience the intersections between medicine and Christian ministry, grow in their faith and calling, and appreciate the practice of medicine in a different culture.

Who?

Due to the heavy medical nature of this visit, students in pre-health and allied health (pre-med, pre-PA, pre-PT, pre-dent, pre-nursing, public health, health sciences, dietician, etc) will be prioritized.

Further priority is given to active CURE BU members, but everyone is able to apply.

Deadline: November 8th

CURE BU Medical-Ministry Mission to the Philippines

CURE BU is a Christian organization at Baylor that explores the intersections of health, service, faith, and Christianity in a small, close-knit club. This mission trip will take place at a multispecialty teaching hospital and a local orphanage in Batac, Philippines, from May 16-30th, 2024. Students will have the unique opportunity to shadow doctors, surgeons, and nurses in different fields of medicine, as well as serve and minister to children in a local orphanage. We hope that students will gain a holistic cultural experience that combines medicine, mission, and faith. **The**

application deadline is November 8th. Please contact Elizabeth John
(elizabeth_john1@baylor.edu) for more details. [BUMissions Application Link](#)
