Research & Internships

HEAL THE CITY SUMMER INTERNSHIP & GAP YEAR INTERNSHIP

Baylor Honors College students interested in summer internships or a year-long gap year opportunity are invited to apply for positions with Heal the City, Amarillo. These are ideal positions for students interested in healthcare (pre-med, nursing, pre-PA, health administration, etc.), though students from other majors are welcome to apply (social work, religion, public policy, etc.).

Available positions:

[Case Management](#)—Summer intern

[Development](#)—Summer intern

[Education Coordinator, Pharmacy](#)—year-long intern

[Quality Improvement](#)—year-long intern

Job descriptions for each position can be found by clicking on each position title, above.

All positions include a stipend and housing (including water and electricity). Interns will only be responsible for personal expenses and internet.

Heal the City was founded by Dr. Alan Keister, a Baylor graduate and an Amarillo physician who identified a desperate need for healthcare throughout certain neighborhoods within Amarillo. Its mission is to provide free quality medical care and referral services with dignity and compassion to the uninsured of Amarillo. To learn more about Heal the City, visit their website at

www.healthcityamarillo.com.

To apply online, click [here](#). Applicants will need to complete the online application and email resumes to Liz R. Alaniz, Executive Director, at

Liz.Alaniz@healthcityamarillo.com or Liz.Alaniz@htcama.com

INTERESTED IN A FUTURE IN CARDIOVASCULAR RESEARCH?

Funded by the American Heart Association (AHA), the **University of Houston's – Houston Experience Advancing Research and Training (UH-HEART)** program provides transdisciplinary summer research experiences and translatable skills that prepare participants for future careers in cardiovascular-related research.

Your FREE registration includes a **15% discount*** on a 1-or 2-year subscription to the [Medical School Admissions Requirements™ \(MSAR®\)](#) website.

PRE-HEALTH MENTORS APPLICATIONS NOW OPEN!

The application will be due by April 13th at 11:59 p.m.

About Prehealth Mentors: As Pre-Health Mentors, we strive to cultivate passion, vulnerability, joy, and a sacred view of human life by serving all of Baylor Pre-Health. Prehealth Mentors serve prehealth students in a multitude of ways including helping run Foundations of Medicine (PHP 1105) and Prehealth Professional Development (PHP 2105). For PHP 1105, mentors are asked to help lead peer groups of freshmen students weekly and lead them in predesignated curriculum to help prepare them for their future at Baylor and beyond. In PHP 2105, senior mentors are asked to meet with sophomore mentees once a month and guide them in their journey to professional school. Prehealth Mentors also assist all prehealth students in equipping them with resources and wisdom that will help them make the most of their time at Baylor and excelling in all of their goals. Please reach out to Liberty Tucker (liberty_tucker1@baylor.edu), Rachel Farella (rachel_farella1@baylor.edu), and Graycee Luksa (graycee_luksa1@baylor.edu) with any questions you may have about the application or the responsibilities of a Prehealth Mentor.

Apply here!: <https://forms.gle/tJN52CDeUFSnDDiE8>

April 13 From 1-5pm ET - In-Person Pre-Veterinary Career Fair

Study abroad to Ecuador!

This study abroad involves travel to Ecuador, where you will meet with locals to learn about traditional healthcare systems, as well as meet with managers and volunteers at wildlife sanctuaries. Research will be conducted on two of the islands while learning about conservation and health. Other activities include hiking and snorkeling, Spanish language lessons, city tours, visits to a chocolate farm and a traditional coffee and sugar cane plantation, and visits to multiple beaches and giant tortoise sanctuaries.

Have any questions? Email michael_muehlenbein@baylor.edu or check out the Study Abroad page "Health Research in the Galapagos" at <https://bearsabroad.baylor.edu/index.cfm?FuseAction=Programs.ViewProgramAngular&id=10732>

Mayo Clinic Alix School of Medicine
